r Revised

a Beginning in 1975-76, includes receipts of Municipal Assistance Corporation (MAC). MAC receipts from the state sales tax for the benefit of New York City are included as "Intergovernment Revenues" (local government contributions) by the U.S. Department of Commerce.

b Increase is a result of state takeover of certain Medicaid Programs.

1 Includes total receipts of the state and certain receipts of authorities related to programs considered by the U.S. Department of Commerce to be state-related. Because of the inclusion of this authority information, the numbers do not reconcile with other tables showing state receipts.

2 Includes user fees such as tuition, hospital fees, and park fees. Also includes miscellaneous receipts such as fines, rental, and interest income.
