NOTE: The statistics reflect state government fiscal years that end on June 30, except for four states with other ending dates: Alabama and Michigan (September 30), New York (March 31), and Texas (August 31).

The data in this table are based on information from public records and contain no confidential data. Although the data in this table come from a census of governmental units and are not subject to sampling error, the census results do contain nonsampling error.

— Represents zero.

X Not applicable.

1 Taxes are classified according to the U.S. Census Bureau's classification methodology as outlined in the *Government Finance and Employment Classification Manual*.

2 Not elsewhere classified.
