

2023 Fellowship on Immigrant Integration

Open to SUNY & CUNY
Graduate Students

Summer 2023
May 15 - Aug 15

20 Hours per Week
\$4,800 Stipend

The Institute on Immigrant Integration Research and Policy (III) at the Rockefeller Institute of Government is welcoming applications for its inaugural Fellowship on Immigrant Integration.

The fellowship is an intensive three-month program that runs from May 15, 2023, to August 15, 2023. Fellows will work 240 hours (20 hours per week) during their fellowship and will be awarded a stipend of \$4,800. The fellowship will utilize a blended format that combines remote work arrangements with monthly in-person trips to the Institute's headquarters in Albany, NY.

The 2023 fellows will deepen their understanding of the contextual factors that influence integration outcomes, examine successful policies and practices for advancing immigrant integration, compile and analyze data using a range of research tools to fill the knowledge gap on immigrant integration, assess policy implications of indicators of economic, social, and civic integration, and produce policy briefs that analyze determinants of immigrant integration.

Qualified individuals interested in applying should complete an [online application form](#) and send a current resume, copies of transcripts, and two writing samples to III Deputy Director Guillermo Martinez at Guillermo.Martinez@rock.suny.edu. **The application deadline is Saturday, April 15, 2023.** Any questions regarding the fellowship should also be directed to Guillermo Martinez.
